Item 4 Advisory Business

Firm Description

Greylock Peak Ventures LLC ("Greylock Peak" or the "Firm") was founded in 2011. Greylock Peak Ventures is a privately owned limited liability company headquartered in Sebastopol, California. The Firm is owned equally by CM and Company, LLC and Electrum, LLC. CM and Company is beneficially owned and controlled by Chris Martenson, the Chief Executive Officer of the Firm. Electrum is beneficially owned and controlled by Adam Taggart, an executive officer of the Firm.

Types of Advisory Services

Greylock Peak Ventures is a Solicitor for other unaffiliated Registered Investment Advisory ("RIA") firms. We are qualified to be and act as an investment adviser under the laws of the states in which we transact business in and are familiar with the rules and the numerous requirements pertaining to the solicitation of prospective investment advisor clients. In this capacity we may participate in product suitability, but the unaffiliated RIA firm is responsible for individual client suitability and portfolio management on an initial and ongoing basis.

When soliciting clients for unaffiliated RIA's each client shall be provided with the most recent relevant brochures or equivalent disclosure documents of the unaffiliated RIA's that details their applicable programs and the compensation to be paid by you and what portion of the same is received by us for our solicitation services and the association between our Firm and the unaffiliated RIA's.

Types of Agreements

Greylock Peak Ventures' investment advice is limited to recommending other investment advisers. Investment advisory services are provided by the unaffiliated RIA. Accordingly, Greylock Peak Ventures does not have an agreement directly with the client.

Greylock Peak Ventures, will, however, provide a copy of its Solicitor Disclosure Statement to the client. The Solicitor Disclosure Statement sets forth, among other things, the amount of compensation to be received by Greylock Peak Ventures for referring the client to the unaffiliated RIA.

Assets under Management

Greylock Peak Ventures operates as a Solicitor and does not have investment advisory clients; therefore, there are no assets under management at our Firm.

Wrap Fee Programs

Greylock Peak Ventures does not participate in any wrap fee programs.

Item 5 Fees and Compensation

Solicitor Fee Schedule

The fees payable to us for these referral services depend upon the fee arrangement between our Firm and the unaffiliated RIA to whom you are referred. We will receive a portion of the unaffiliated RIA's ongoing account management fees as compensation for our solicitation or consulting. Our fee range is 25% to 30% of the fees charged to the referred client by the unaffiliated RIA. The fee shall be paid solely from the unaffiliated RIA and will be paid to us within 30 days of the unaffiliated RIA's receipt of the advisory fee from the client. The fee paid to us will not result in any additional charge to the client of the unaffiliated RIA.

Termination

The agreement between the unaffiliated RIA and our Firm may be terminated at any time and for any reason upon written notice to the other party. Termination of the agreement will only affect future referral prospects. We will remain entitled to continue receiving payment of our referral fees for all prospects whether they are clients at the time of termination or whether they become clients subsequent to termination as long as the unaffiliated RIA receives such fees from our referred clients and as long as we maintain the appropriate regulatory registrations.

Item 6 Performance-Based Fees

We act solely as a solicitor for unaffiliated RIAs. We do not accept performance-based fees or participate in side-by-side management.

Item 7 Types of Clients

Our customer base for referrals to other unaffiliated RIA's consists of individuals, pension and profit sharing plans, trusts, estates, charitable organizations, corporations and other business entities.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

Methods of Analysis and Investment Strategies

We refer clients to unaffiliated RIA's who offer a selection of different investment approaches. This includes trend following, countertrend, technical signal based, fundamental and tactical asset allocation strategies. Information of each unaffiliated RIA's method of analysis and investment strategies are described in each of their ADV Part 2A brochures or other disclosure documents that will be provided upon the referral.

Risk of Loss

All investment programs have certain risks that are borne by the investor. The advice offered to you is determined by the areas of expertise of the unaffiliated RIA agent providing the service and your stated objective. We advise you to notify your investment manager promptly if there are ever any changes in your financial situation or investment objective or if you wish to impose any reasonable restrictions upon their management services.

We do not represent, warrant, or imply that the services or methods of analysis employed by our unaffiliated RIA's can or will predict future results, successfully identify market tops or bottoms, or insulate you from losses due to market corrections or declines. All securities trading, whether in stocks, options, or other investment vehicles, is speculative in nature and involves substantial risk of loss that clients should be prepared to bear. Past performance is not necessarily indicative of future results. You should make every effort to understand the risks involved.

Item 9 Disciplinary Information

Legal and Disciplinary

Greylock Peak Ventures is required to disclose whether there are legal or disciplinary events that are material to a referral's or a prospective referral's evaluation of our advisory business or the integrity of our management. Third Party Relationships

We currently have a third party advisory relationship with New Harbor Financial Group, LLC in Leominster, MA. We may develop other solicitor arrangements with other unaffiliated RIA's at our discretion.

Upon being referred to a third-party adviser, you will receive a Solicitor's Disclosure Statement. The Solicitor's Disclosure Statement provides, among other things, disclosure regarding the affiliation, if any, between our Firm and the third-party adviser: the terms of the solicitation agreement between our Firm and the third-party adviser, including the amount of compensation to be paid to our Firm for the solicitation; and the additional cost to you if any, as a result of the solicitation agreement.
